AS TO THE INSPIRING PRINCIPLES AND CULTURAL PROJECT OF ACLI, ENAIP WORKS IN THE FIELD OF EDUCATION FOR THE INTEGRAL DEVELOPMENT OF INDIVIDUALS.

(art. 3 of enaip by-laws)
MISSION

> We promote the cultural, professional, civic and moral development of young people and adults through training, within the scope of lifelong learning

> We contribute to the social integration of men and women and to their professional development, in close relation to the needs of the labour market and the productive sector

> We support and accompany personal professional development through methods of work-based training, guidance services and job-creation projects

> We fight early school leaving and school disaffection

"ENAIP IS A NATIONAL NETWORK OF SERVICES FOR TRAINING AND EMPLOYMENT PROMOTION.

IT WORKS IN THE SECTORS OF EDUCATION, VOCATIONAL TRAINING AND ACTIVE POLICIES FOR EMPLOYMENT.

IN TERMS OF HISTORY, SIZE, BRANCHES AND WEALTH OF SERVICES PROVIDED, IT IS ITALY’S MOST IMPORTANT TRAINING INSTITUTION."
consistency and reliability
We implement what we promise in an atmosphere that is welcoming, respectful and of mutual trust.

transparency and reciprocity
We declare, spread and share roles, rules, and responsibilities of everyone we involve in our activities.

equal opportunities
We practise and consolidate respect for individual differences. We enhance personal qualities and promote equal rights, language and cultural diversity.

creativity and innovation
We promote culture and research. We experiment with innovative solutions to improve teaching and to organize our activities.

connections among people, institutions and cultures
We believe education can act as a catalyst for dialogue. It can help to build shared projects and create virtuous interactions in poor and disrupted relationships’ contexts.
ENAIP, ENAIPs in the regions and provinces, ENAIPs in Europe and beyond operate as independent entities.

Everyone contributes to building the ENAIP network.

THE EDUCATIONAL CHALLENGE

> we meet the **needs of adolescents and their families**
offering educational programmes that allow students
to acquire skills and to develop awareness of their
rights and duties as European citizens

> we support newly-qualified young people in **entering and growing** in a company or in starting up their
own **business ventures**

> we follow the needs of the **employment market**
because we train for qualifications and skills to
meet the demand expressed by companies and the
professional aspirations of workers

> we support those who are in situations of **social disadvantage**, so that they may positively fit into
society and the world of work

> we work in a perspective of **social and professional empowerment** to develop talents, human capital
and innovation
We help build links and connections between stakeholders and experiences both in Europe and in developing countries.

This is the vocation of the ENAIP network, to support the growth of educational and training systems in a global society based on knowledge.
